

Province of British Columbia

Water Act

CONDITIONAL WATER LICENCE

The owner(s) of the land to which this licence is appurtenant is/are hereby authorized to divert water as follows:

- a) The stream on which the rights are granted is Dunois Creek.
- b) The points of diversion are located as shown on the attached plan.
- c) The date from which this licence shall have precedence is June 18, 2015.
- d) The purpose for which this licence is issued is Land Improvement.
- e) The maximum quantity of water which may be diverted is total flow.
- f) The period of the year during which the water may be used is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is District Lot 26 Kamloops Division Yale District.
- h) The authorized works are ponds which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2019. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) This licence is issued under the *Water Act* (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
- k) The works authorized under clause (h) hereof shall be maintained to the satisfaction of an Engineer under the *Water Act*.

- 1) The diversion of water authorized under this licence may be restricted or prohibited at any time by an Order in writing of an Engineer under the *Water Act*, in order to maintain a minimum flow in the stream for the preservation of fish and other aquatic life.

A handwritten signature in blue ink, appearing to read 'P. Farmer', with a long horizontal flourish extending to the right.
