- a) The stream on which the rights are granted is Mytting Lake.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is December 7th, 1998.
- d) The purpose for which this licence is issued is irrigation.
- e) The maximum quantity of water which may be diverted for irrigation is 49,340 cubic metres per year.
- f) The period of the year during which the water may be used is April 1st to September 30th.
- g) The land upon which the water is to be used and to which this licence is appurtenant is the South 1/2 of District Lot 2232, Cariboo District of which 16.19 hectares may be irrigated.
- h) The authorized works are diversion structure (screened intake), portable pump, pipe and sprinkler system, which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This Licence is issued in substitution of Conditional Water Licence 118550.

- k) This licence is issued under the *Water Act* (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
