CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Steward Creek.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is 20th January, 1970.
- d) The purposes for which this licence is issued are domestic and irrigation.
- e) The maximum quantity of water which may be diverted for domestic use is 4.0 cubic metres (880 gallons) per day and the maximum quantity which may be used for irrigation is 4,934 cubic metres (4 acre feet) per year.
- f) The period of the year during which the water may be used for domestic purposes is the whole year and for irrigation is April 1st to September 30th.
- g) The land upon which the water is to be used and to which this licence is appurtenant is the North 1/2 of District Lot 611 Kamloops Division Yale District except Plans 41722, KAP54298, and KAP65356, of which 1.619 hectares may be irrigated.
- h) The authorized works are diversion structure, pump, pipe, and sprinklers, which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This Licence is issued in substitution of water licences C063632 and C063633.
- k) This licence authorizes the use of water for domestic purpose in 2 dwellings located approximately as shown on the attached plan.

- 1) This licence is issued under the Water Sustainability Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
