

# Province of British Columbia *Water Act*

## CONDITIONAL WATER LICENCE

The Alouette River Management Society (ARMS), holder of a Licence of Occupation held with the Ministry of Technology, Innovation and Citizens' Services, to which this licence is appurtenant, is hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Alouette River.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is March 10, 2015.
- d) The purpose for which this licence is issued is Conservation (Use of Water) purpose.
- e) The maximum quantity of water which may be diverted for Conservation (Use of Water) purpose is 0.15 cubic meters a second.
- f) The period of the year during which the water may be used is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is the conservation project of the licensee within Lot A, Section 26, Township 12, New Westminster District, Plan BCP45609, in which a Licence of Occupation is held between the Ministry of Technology, Innovation and Citizens' Services and the Alouette River Management Society.
- h) The authorized works are screened intake, pipe, headwall, valve and channel which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed under Water Act Approval A2006283. Upon issuance of this licence, the water shall be beneficially used prior to December 31, 2019. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) This Conditional Water Licence remains valid so long as the Licence of Occupation for the conservation project with the Ministry of Technology, Innovation and Citizens' Services remains valid.

James Davies  
Assistant Regional Water Manager
