

Province of British Columbia

Water Sustainability Act

CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant is/are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is the Similkameen River.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is December 20, 2015.
- d) The purpose for which this licence is issued is domestic.
- e) The maximum quantity of water which may be diverted for domestic is 2.27305 cubic meters per day.
- f) The period of the year during which the water may be used is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is District Lot 901 Yale Division Yale District Except the Southerly 7.5 chains measured along the Easterly boundary thereof by the full width of the said lot and Except Plans KAP57545 and KAP57546.
- h) The authorized works are a screened intake and pipe which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2019. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) This licence is issued under the *Water Sustainability Act* (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.

- k) The diversion of water authorized under this licence may be restricted or prohibited at any time by an Order in writing of an Engineer under the *Water Sustainability Act*, in order to maintain a minimum flow in the stream for the preservation of fish and other aquatic life.
- l) This licence authorizes the use of water for domestic purpose in one dwelling located approximately as shown on the attached plan.

A handwritten signature in black ink, appearing to read 'Patrick Farmer', with a long horizontal flourish extending to the right.
