Water Sustainability Act

CONDITIONAL WATER LICENCE

The owner of the land to which this licence is appurtenant is hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Stony Creek.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is April 27, 1964.
- d) The purpose for which this licence is issued is industrial livestock and animal (stockwatering).
- e) The maximum quantity of water which may be diverted for stockwatering purposes is 38.340 cubic metres per day.
- f) The period of the year during which the water may be used is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is the South West 1/4 of Section 36, Township 5, Range 4, Coast District.
- h) The authorized works are screened intake, diversion structure, pump, pipe, and pond which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This Licence is issued as part of an apportionment of water rights that was previously held under Conditional Water Licence C029651.
- k) This licence is issued under the *Water Sustainability Act* (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream or on an aquifer. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other

property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
