

Province of British Columbia

Water Sustainability Act

CONDITIONAL WATER LICENCE

The owner of the land to which this licence is appurtenant is hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is the Fraser River.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is May 26, 2015.
- d) The purpose for which this licence is issued is irrigation (private irrigation).
- e) The maximum quantity of water which may be diverted for irrigation (private irrigation) is 381,639.3 cubic metres (309.4 acre feet) per year.
- f) The period of the year during which the water may be used is April 1 to September 30.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Block A of District Lot 802 Cariboo District and Block A of District Lot 802A Cariboo District of which 125.2 hectares (309.4 acres) may be irrigated.
- h) The authorized works are screened intake, pump, flow measuring device, pipe, and irrigation system which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to September 30, 2018. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) The licensee shall retain flow meter records for inspection upon request by a Water Manager under the *Water Sustainability Act*.

- k) This licence is issued under the *Water Sustainability Act* (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream or on an aquifer. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.

Robert M Piccini
Assistant Water Manager
