

# Province of British Columbia

## *Water Sustainability Act*

### CONDITIONAL WATER LICENCE

The owner of the land to which this licence is appurtenant is hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Marriott Spring.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is March 21, 1990.
- d) The purpose for which this licence is issued is Land Improvement: General.
- e) The maximum quantity of water which may be diverted for Land Improvement: General is 3700.44 m<sup>3</sup>/year.
- f) The period of the year during which the water may be used is January 1 to December 31.
- g) The land upon which the water is to be used and to which this licence is appurtenant is the land improvement project of the licensee within LOT A SECTION 25 TOWNSHIP 8 OSOYOOS DIVISION YALE DISTRICT PLAN KAP46020.
- h) The authorized works are Diversion structure (Fully Constructed) and Pond (Fully Constructed) which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being beneficially used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This Licence is issued in substitution of C070448, in whole.
- k) Changes or modifications to the works authorized under clause (h) hereof may be ordered at any time by an Engineer under the Water Sustainability Act to ensure proper operation of said works.

- 1) This licence is issued under the Water Sustainability Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream or on an aquifer. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.

Dale Richter, RPF  
Assistant Water Manager
