## *Water Sustainability Act*

### CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Bloods Creek.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is October 16, 2015.
- d) The purpose for which this licence is issued is domestic (watering of garden).
- e) The maximum quantity of water which may be diverted for domestic (watering of garden) purpose is 3 cubic metres per day and the maximum quantity of water which may be used for domestic (watering of garden) purpose is 3 cubic metres per year.
- f) The period of the year during which the water may be diverted for domestic (watering of garden) purpose is November 1 to March 31, and the water may be used for domestic (watering of garden) purpose from April 1 to October 31.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Lot 41, Section 7, Wellington District, Plan 26447.
- h) The authorized works are pipe, pump, and tanks which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being beneficially used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
