Water Sustainability Act

CONDITIONAL WATER LICENCE

The holders of the lease to which this licence is appurtenant are hereby authorized to store, divert, and use water as follows:

- a) The source on which the rights are granted is Charters River.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is October 7, 2015.
- d) The purposes for which this licence is issued are storage, and industrial, camps and public facilities.
- e) The maximum quantity of water which may be held in storage at any given time is 46 cubic metres, to a cumulative maximum of 840 cubic meters per year, and may be diverted at a rate not to exceed 2.3 cubic metres per day. The maximum quantity of water which may be used for industrial, camps and public facilities is 2.3 cubic meters per day, subject to the water being available from storage.
- f) The period of the year during which the water may be diverted and held in storage is the whole year, and the period of the year the stored water may be used for industrial, camps and public facilities purpose is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is that part of Parcel A (DD34814I) of Section 3, Otter District, except that part shown coloured red on Plan deposited under DD 48524I; except that part in Plan 3943, and except that part shown outlined in red and marked A and B on Plan 1067 RW, and except part in Plan VIP84768, as held under lease on Plan EPP36357.
- h) The authorized works are pump, screened intake, tanks, and pipe which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2019. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) The licensee must maintain in good standing the lease to which this licence is made appurtenant under clause (g) of this licence, which lease is registered under the Land Title Office under No. CA3513511 as a charge against title to land more particularly known as and described as: PID 009 496 939, Parcel A (DD34814I) of Section 3, Otter District, except that part shown coloured red on Plan deposited under DD 48524I; except that part in Plan 3943, and except that part shown outlined in red and marked A and B on Plan 1067 RW, and except part in Plan VIP84768.

- k) This licence does not authorize the diversion of water when the flow of Charters River falls below the augmented flow of 27 litres per second, to be measured prior to reaching the point of diversion.
