

Province of British Columbia

Water Sustainability Act

CONDITIONAL WATER LICENCE

The owner(s) of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Thompson River.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is February 13, 1932.
- d) The purpose for which this licence is issued is Irrigation: Private Irrigation.
- e) The maximum quantity of water which may be diverted for Irrigation: Private Irrigation is 251,630 cubic metres year.
- f) The period of the year during which the water may be used is April 1 to September 30.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Strata Lots 1, and 2 Section 34 and Strata Lot 3 Sections 34 and 35, Township 20, Range 24, W6M KDYD Strata Plan KAS3394 of which 28 hectares may be irrigated.
- h) The authorized works are Screened Intake, Pump, Pipe and Sprinklers which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2019. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) This licence is issued under the Water Sustainability Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream or on an aquifer. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.

- k) The licensee shall submit to the Comptroller of Water Rights, Water Manager, or an Engineer a Beneficial Use Declaration and a drawing prepared to the water licence application drawing standards showing the point of diversion, area of beneficial use, all associated works, and the legal boundaries of the appurtenant land, on or before the 31st day of December 2019.
- l) This Licence is issued in substitution of Water Licence Number F011873 in part.
