

Province of British Columbia

Water Sustainability Act

CONDITIONAL WATER LICENCE

The owner(s) of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Arrowstone Spring.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is July 30, 2009.
- d) The purpose(s) for which this licence is issued are private irrigation and domestic.
- e) The maximum quantity of water which may be diverted for private irrigation purpose is 12,335 cubic metres per annum and for domestic purpose is 2.25 cubic metres per day provided the maximum daily diversion does not exceed 105 cubic metres.
- f) The period of the year during which the water may be used for private irrigation purpose is April 1 to September 30 and for domestic purpose is January 1 to December 31.
- g) The land upon which the water is to be used and to which this licence is appurtenant is FRAC S 1/2 SEC 3 TP 23 R 25 W6M KDYD EXC PLAN H237 of which 1.6 hectares may be irrigated.
- h) The authorized works are a diversion structure, pipe, tank(s) and an irrigation system which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2019. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) This licence is issued under the Water Sustainability Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream or on an aquifer. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from

construction, maintenance, use, operation or failure of the works.

- k) The works authorized under clause (h) hereof shall be maintained to the satisfaction of an Engineer under the Water Sustainability Act.
- l) This licence authorizes the use of water for domestic purpose in one dwelling located approximately as shown on the attached plan.
