## *Water Sustainability Act*

### CONDITIONAL WATER LICENCE

The owner of the land to which this licence is appurtenant is hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Ore Creek.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is December 15, 2015.
- d) The purposes for which this licence is issued is private irrigation and livestock & animal: stock watering.
- e) The maximum quantity of water which may be diverted for private irrigation is 27,317.25000 cubic metres per year at a rate not to exceed 0.00263 cubic metres a second and for livestock & animal stock watering is 4.54249 cubic metres per year.
- f) The period of the year during which the water may be used for irrigation is April 1 to September 30 and for stock watering is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is District Lot 3102, Lillooet District.
- h) The authorized works are screened intake, pipe, diversion structure, trough which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being beneficially used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This licence is issued under the *Water Sustainability Act* (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream or on an aquifer. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from

construction, maintenance, use, operation or failure of the works.

- k) The industrial livestock and animal purpose authorized by this licence is for use outside the wetted perimeter of the source in a trough located approximately as shown on the attached plan.
