## *Water Sustainability Act*

### CONDITIONAL WATER LICENCE

The owner(s) of the land to which this licence is appurtenant is/are hereby authorized to divert and use water as follows:

- a) The source on which the rights are granted is an unnamed spring located approximately 300 metres north of the NE 1/4 of District Lot 4537, Range 5, Coast District, at the following coordinates: 54.010121 -126.403115.
- b) The point of diversion is located as shown approximately on the attached plan.
- c) The date from which this licence shall have precedence is March 16, 2016.
- d) The purpose for which this licence is issued is domestic use.
- e) The maximum quantity of water which may be diverted for domestic use is 2.0 cubic metres/day.
- f) The period of the year during which the water may be used is the whole year (January 1 to December 31).
- g) The land upon which the water is to be used and to which this licence is appurtenant is the NE 1/4 of District Lot 4537, Range 5, Coast District.
- h) The authorized works are a pipeline and diversion structure, as described in the application and by the licensee in a letter dated July 11, 2016, which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2019. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) The works authorized under clause (h) hereof shall be maintained to the satisfaction of a Water Manager under the *Water Sustainability Act*.
- k) The diversion of water authorized under this licence may be restricted or prohibited at any time by an Order in writing from a Water Manager under the *Water Sustainability Act* to maintain the minimum flow in the stream or to ensure compliance with the terms authorized herein.

- 1) As-Built or record drawings detailing the final placement and design of the works authorized herein must be submitted to a Water Manager under the *Water Sustainability Act* within one year of commissioning said works.

A handwritten signature in black ink, appearing to read "Jeremy Roscoe". The signature is written in a cursive style with a small dot at the end.
