Water Sustainability Act

PERMIT AUTHORIZING THE OCCUPATION OF CROWN LAND

The holder of Conditional Water Licence C133295 whose licence authorizes the Diversion and Use of water from an unnamed spring is hereby authorized to occupy Crown land by constructing, maintaining and operating thereon the works authorized under the said licence.

- (a) The Crown land which is authorized to be occupied under this permit is a portion of the unsurveyed Crown land north of the NE 1/4 of District Lot 4537, Range 5, Coast District, the location of which is shown approximately on the plan attached to the said water licence.
- (b) The approximate dimensions of the Crown land authorized to be occupied under this permit are:
 - Works 333 metres in length by 4.57 metres in width, having an area of 0.15218 hectares.
- (c) Prior to cutting, destroying or clearing of any timber necessary to construct, maintain and operate the said works, the permittee shall apply for and obtain a licence to cut timber from the Ministry of Forests, Lands and Natural Resource Operations, District Manager. The amount of stumpage, royalty and/or compensation payable to the Crown in respect of trees, including merchantable or young growth, cut, removed, damaged, or destroyed by the permittee, shall be the sum or sums fixed by the Ministry of Forests, Lands and Natural Resource Operations.
- (d) The holder of this permit shall take reasonable care to avoid altering existing surface drainage patterns and the soil profile and capability on Crown land during construction, operation and maintenance activities.
- (e) Crown land which is disturbed by the authorized works shall be restored to a stable condition and protected from erosion and future degradation, where warranted.
- (f) This permit is appurtenant to the land which the aforesaid water licence is appurtenant.
- (g) This permit shall become void if the water licence with respect to which the permit is issued should terminate, be abandoned or cancelled, or amended so as to render this permit unnecessary.

- (h) This permit is issued and accepted on the understanding that the permittee shall indemnify and save harmless the Government of the Province of British Columbia for all loss, damage to works, cost or expense suffered by the permittee by reason of the Crown land or any portion thereof being submerged or damaged by erosion or otherwise affected by flooding.
- (i) The holder of this permit shall not be entitled to compensation if the Crown grants permits to other persons to occupy the land affected by this permit.
- (j) In the event of a dispute at any time with respect to the area or boundaries of the land affected by this permit, the holder shall, at his own expense, have the said land surveyed by a duly authorized surveyor.
