CONDITIONAL WATER LICENCE

The owner(s) of the land on which this licence is appurtenant is/are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Okanagan Lake.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is April 28, 2016.
- d) The purpose for which this licence is issued is domestic.
- e) The maximum quantity of water which may be diverted is 2 cubic metres per day.
- f) The period of the year during which the water may be used is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is LOT 2 SECTION 14 TOWNSHIP 13 OSOYOOS DIVISION YALE DISTRICT PLAN 11049.
- h) The authorized works are screened intake, pump, and pipe (drilled directionally) which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2019. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) This licence authorizes the use of water for domestic purpose in one dwelling located approximately as shown on the attached plan.
- k) The water intake must be no less than three (3) metres below the lowest water level of Okanagan Lake.
- l) All construction and maintenance of works authorized under clause (h) of this licence must be conducted during the least-risk timing window of June 1 through September 30.

- m) This licence is issued under the *Water Sustainability Act* (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream or on an aquifer. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
