CONDITIONAL WATER LICENCE

The owner(s) of the land to which this licence is appurtenant is/are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Chisholm Canyon Creek.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is June 14, 2016.
- d) The purposes for which this licence is issued are domestic and industrial livestock & animal.
- e) The maximum quantity of water which may be diverted for domestic is 4.5 cubic metres per day and for livestock & animal is 5480 cubic metres per year.
- f) The period of the year during which the water may be used is January 1 to December 31 for both purposes.
- g) The land upon which the water is to be used and to which this licence is appurtenant is District Lot 302 Lillooet District.
- h) The authorized works are diversion structure, screened intake and pipe and trough, which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being beneficially used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This licence is issued under the *Water Sustainability Act* (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream or on an aquifer. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.

- k) The industrial livestock and animal purpose authorized by this licence is for use outside the wetted perimeter of the source in a trough located approximately as shown on the attached plan.
- l) The diversion of water authorized under this licence may be restricted or prohibited at any time by an Order in writing under the *Water Sustainability Act*, in order to maintain a minimum flow in a stream for the preservation of fish or for maintaining the health of aquatic ecosystems.
- m) This licence authorizes the use of water for domestic purpose in two dwellings located approximately as shown on the attached plan.
