### CONDITIONAL WATER LICENCE

The owner of the land to which this licence is appurtenant is hereby authorized to divert, use, and store water as follows:

- a) The stream on which the rights are granted is the Fraser River and storage is in a dugout.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is June 27, 2016.
- d) The purposes for which this licence is issued are Irrigation: Private and Storage: Stream - non-power.
- e) The maximum quantity of water which may be diverted for irrigation is 20,000 cubic metres per year at a rate not to exceed 0.006 cubic metres per second, and the maximum quantity which may be held in storage is 4,500 cubic metres.
- f) The period of the year during which the water may be used is April 1 to September 30.
- g) The land upon which the water is to be used and to which this licence is appurtenant is the East 1/2 of District Lot 8048 Cariboo District and the North 1/2 of District Lot 8045 Cariboo District of which 13.8 hectares may be irrigated.
- h) The authorized works are a screened intake, pump, pipe, dugout, and irrigation system which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to September 30, 2019. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) Operation and refuelling of equipment shall be conducted to ensure that deleterious substances do not enter the watercourse.
- k) This licence is issued under the *Water Sustainability Act* (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream or on an aquifer. The licensee must comply with all such requirements, as well

as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
