Water Sustainability Act

CONDITIONAL WATER LICENCE

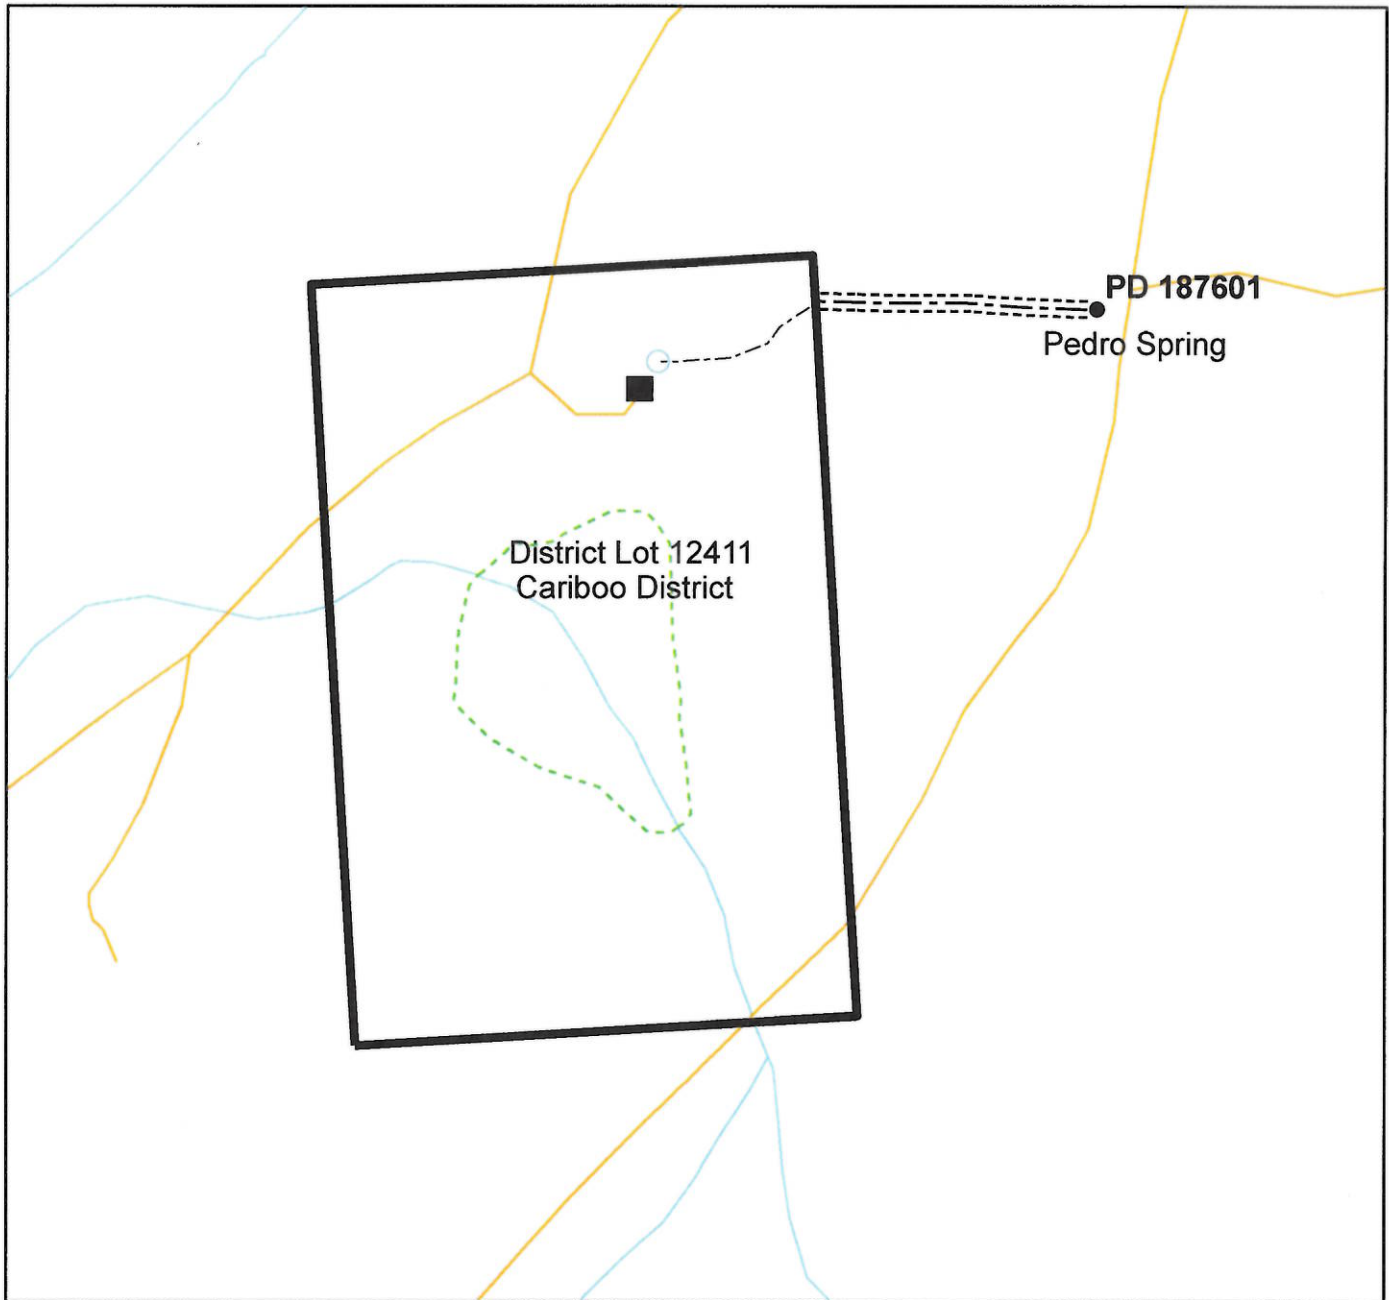

The owner of the land to which this licence is appurtenant is hereby authorized to divert, store, and use water as follows:

- a) The stream on which the rights are granted is Pedro Spring.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is September 4, 2015.
- d) The purpose for which this licence is issued is domestic use.
- e) The maximum quantity of water which may be diverted is 2.273 cubic meters per day.
- f) The period of the year during which the water may be used is January 1 to December 31.
- g) The land upon which the water is to be used and to which this licence is appurtenant is District Lot 12411, Cariboo District.
- h) The authorized works are cistern, pipe, and screened intake which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2019. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) This licence authorizes the use of water for domestic purpose in one dwelling located approximately as shown on the attached plan.

- k) This licence is issued under the *Water Sustainability Act* (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream or on an aquifer. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
