

# Province of British Columbia

## *Water Sustainability Act*

### CONDITIONAL WATER LICENCE

The owner(s) of the land to which this licence is appurtenant is hereby authorized to store water as follows:

- a) The stream on which the rights are granted is Nicklen Lake.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is July 11, 1967.
- d) The purpose for which this licence is issued is stream storage: non-power.
- e) The maximum quantity of water which may be diverted for stream storage is 25,290 m<sup>3</sup> per year.
- f) The period of the year during which the water may be used is October 1 to June 15.
- g) The land on which the water is to be used and to which this licence is appurtenant is as described in licence F047741.
- h) The authorized works are a dam which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being beneficially used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This licence is issued in substitution of licence C034635, in part.
- k) The dam authorized under clause (h) is subject to the Dam Safety Regulation and shall be designed, constructed and maintained to the satisfaction of a Dam Safety Officer under the *Water Sustainability Act* and in accordance with the Canadian Dam Association Guidelines.

- l) This licence is issued under the *Water Sustainability Act* (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream or on an aquifer. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
