

Province of British Columbia

Water Sustainability Act

CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The aquifer on which the rights are granted is 608.
- b) The point of well diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is January 1, 1977.
- d) The purpose for which this licence is issued is industrial lawn, fairway and garden.
- e) The maximum quantity of water which may be diverted for industrial lawn, fairway and garden purpose is 68 cubic meters per year.
- f) The period of the year during which the water may be used is May 1 to September 30.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Section 4, Range 1 East, North Saanich District.
- h) The authorized works are a well, pipe and distribution system which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being beneficially used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) The authorized works may not be physically connected to the District of North Saanich distribution system or any downstream plumbing that is served by that system without approval.
