Water Sustainability Act

CONDITIONAL WATER LICENCE

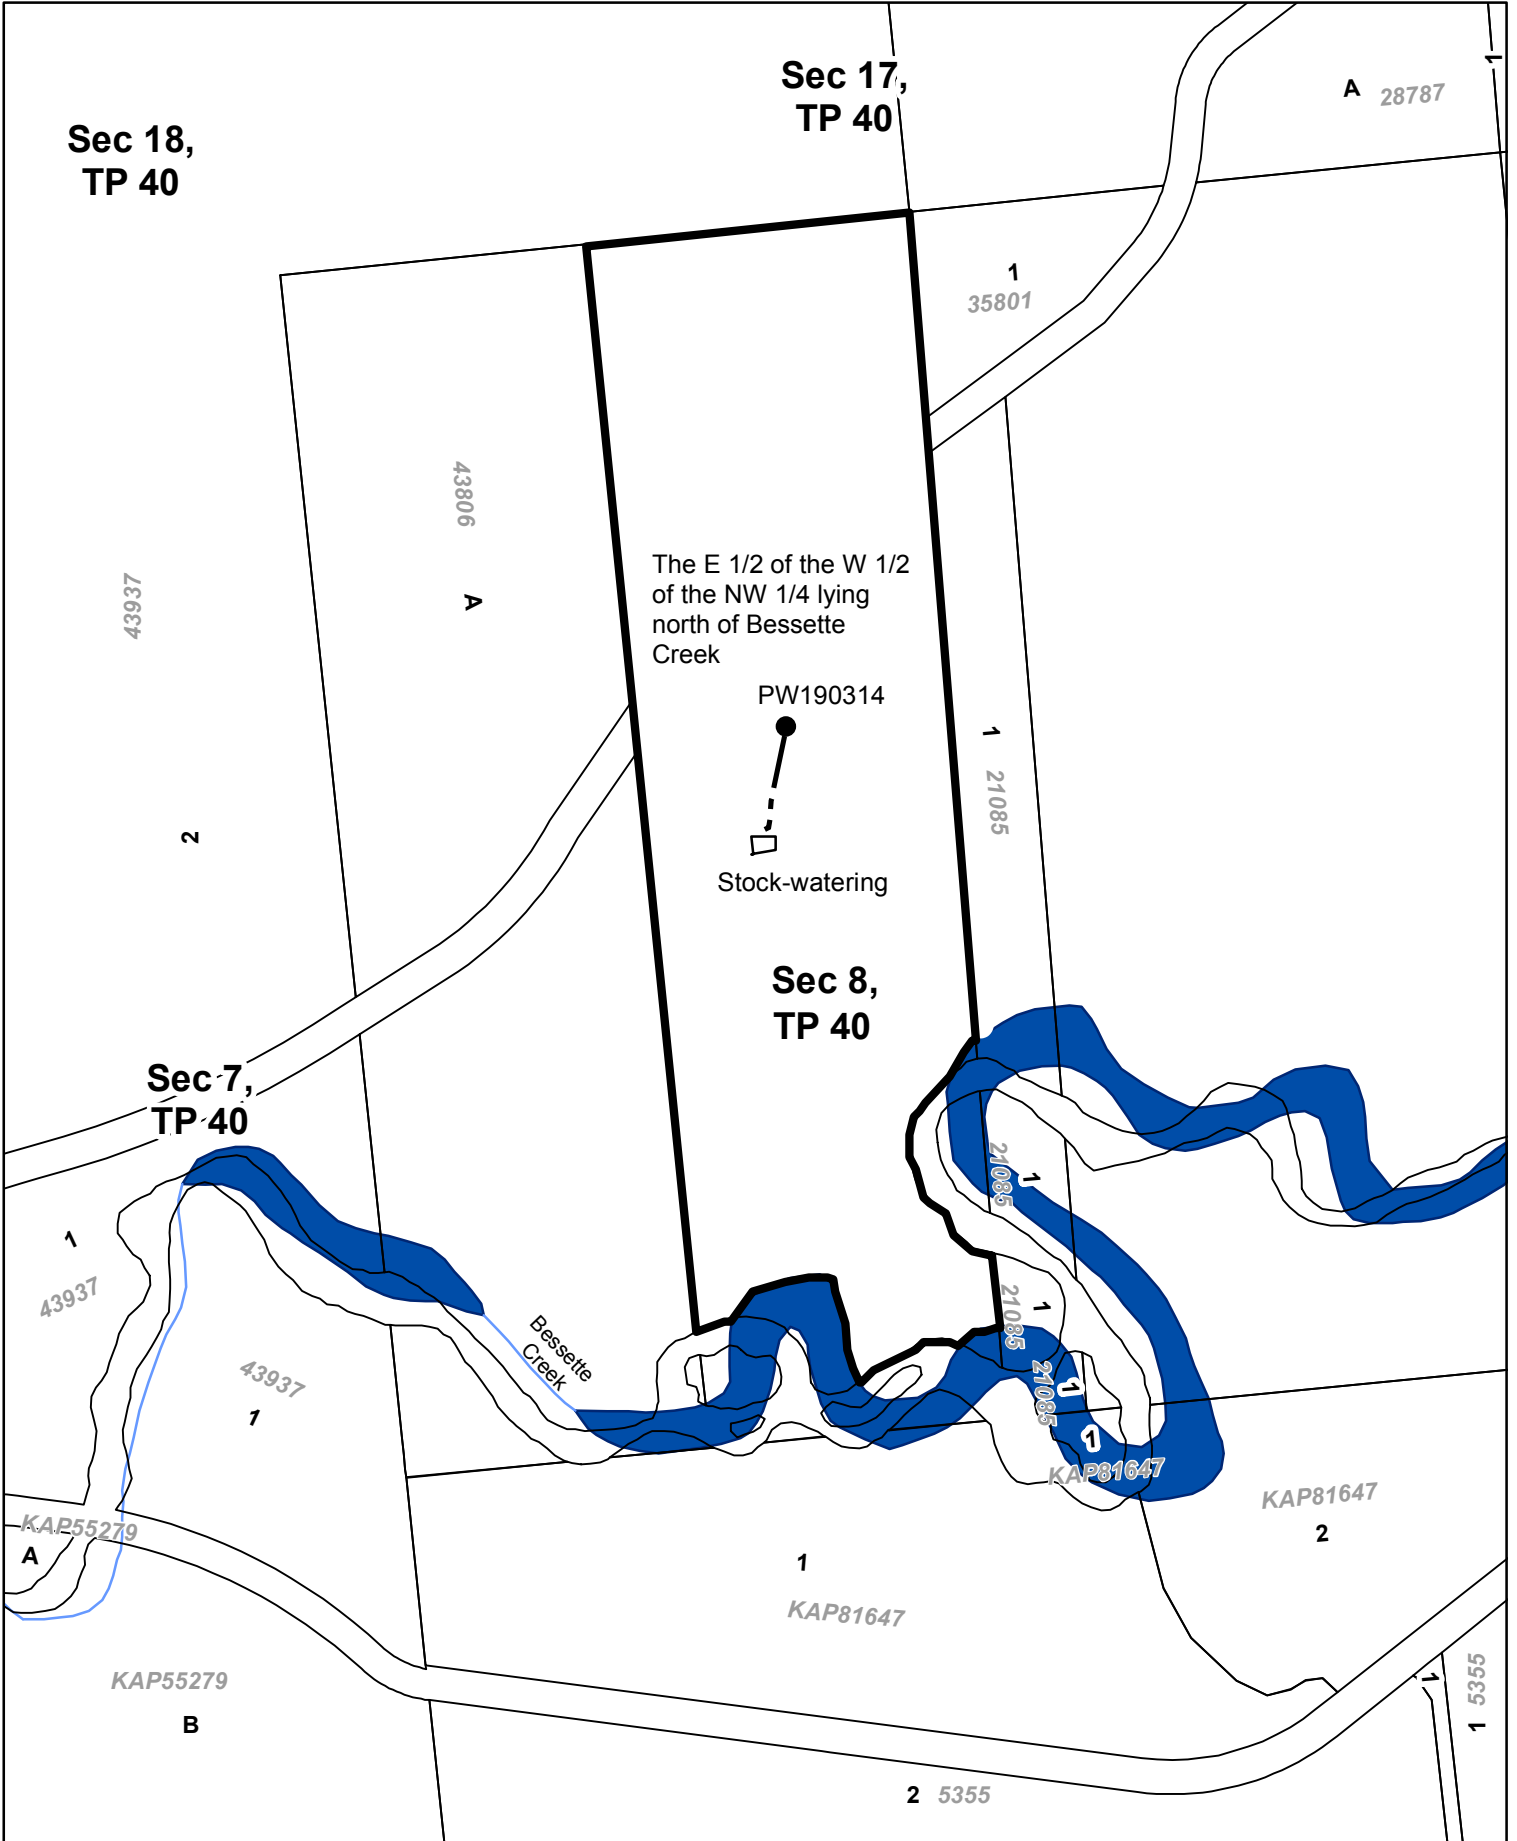

The owner(s) of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The aquifer on which the rights are granted is aquifer 319.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is October 4, 2006.
- d) The purpose for which this licence is issued is livestock and animal watering.
- e) The maximum quantity of water which may be diverted for livestock and animal watering is 2.74 m³ per day.
- f) The period of the year during which the water may be used is the whole year.
- g) The land on which the water is to be used and to which this licence is appurtenant is that part of the East 1/2 of the West 1/2 of the North West 1/4 of Section 8 Township 40 Osoyoos Division Yale District lying North of Bessette Creek.
- h) The authorized works are pump, pipe, hydrant, pressure tank, and well which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being beneficially used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) The licensee shall install a flow meter or other measuring device to the satisfaction of an Engineer under the *Water Sustainability Act*.
- k) The licensee shall retain flow meter/measurement records for inspection upon request by an Engineer under the *Water Sustainability Act*.

- l) This licence is issued under the *Water Sustainability Act* (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream or on an aquifer. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
