

PERMIT UNDER THE WATER ACT AUTHORIZING THE OCCUPATION OF CROWN LAND

The holder of Conditional Water Licence 69166, whose licence authorizes the construction and maintenance of works of water on Mosely Creek, Hell Raving Creek and Quartz Creek, is hereby authorized to occupy Crown land by constructing, maintaining and operating thereon the works authorized under the said licence and any licence which may be issued in substitution thereof.

- (a) The Crown lands which are authorized to be occupied under this permit are portions of Crown land to the east and west boundaries of District Lot 1663, to the south of District Lot 1662, to the west of District Lot 1345 and along the left bank of Hell Raving Creek in the vicinity of the confluence of Hell Raving Creek and Mosely Creek, all within Range 2, Coast District, the location of which is shown approximately on the plan attached to the said water licence.
- (b) The approximate dimensions of the Crown land authorized to be occupied under this permit are 300 feet long by 50 feet wide by channel improvements, equalling 0.34 acres, 400 feet long by 50 feet wide by channel improvements equalling 0.46 acres, and 1300 feet long by 50 feet wide by dyking, equalling 1.5 acres.
- (c) Prior to the cutting, removal, or destruction of any timber from the said Crown land (and clearing of the said lands which may be flooded), necessary to permit construction and maintenance of the said works, the permittee shall apply for and obtain a licence, from the Ministry of Forests, to cut timber. Application will be made to the District Manager of the Ministry of Forests and the amount of stumpage, royalty and (or) compensation payable to the Crown in respect of trees, including merchantable or young growth, cut, removed, damaged, or destroyed by the permittee, shall be the sum or sums fixed by the Forest Service of the Province of British Columbia.
- (d) This permit is appurtenant to the land, mine or undertaking to which the aforesaid water licence is appurtenant.
- (e) This permit shall become void if the water licence with respect to which the permit is issued should terminate, be abandoned or cancelled, or amended so as to render this permit unnecessary.
- (f) This permit is issued and accepted on the understanding that the permittee shall indemnify and save harmless the Government of the Province of British Columbia for all loss, damage to works, cost or expense suffered by the permittee by reason of the Crown land or any portion thereof being submerged or damaged by erosion or otherwise affected by flooding.
- (g) The holder of this permit shall not be entitled to compensation if the Crown grants permits to other persons to occupy the land affected by this permit.
- (h) In the event of a dispute at any time with respect to the area or boundaries of the land affected by this permit, the holder shall, at his own expense, have the said land surveyed by a duly qualified surveyor.
- (i) The annual rental for this permit is \$7.40, which is subject to review and revision at any time at the discretion of the Crown.

D. W. Roberts, P. Eng.
Regional Water Manager
