

PERMIT UNDER THE WATER ACT AUTHORIZING THE OCCUPATION OF CROWN LAND

The holder of Conditional Water Licence 68955, whose licence authorizes the diversion of water from Two Mile Creek and Stoyoma Creek, is hereby authorized to occupy Crown Land by constructing, maintaining and operating thereon the works authorized under the said licence.

- (a) The Crown Land which is authorized to be occupied under this permit is a portion of Legal Subdivisions 1, 7 and 8 of Section 11 and South West 1/4 of Section 12, Township 11, Range 26, West of the 6th Meridian, Yale Division of Yale District, the location of which is shown approximately on the plan attached to the said water licence.
- (b) The approximate area of the Crown Land authorized to be occupied under this permit is 0.96 acre, being 2,800 feet in length and 15 feet in width, for a pipeline.
- (c) The permittee may cut and remove from the said Crown Land any timber necessary to permit construction and maintenance of the said works. Prior to the cutting, destruction or flooding of any timber, the permittee shall apply for and obtain a licence to cut timber from the District Manager and the amount of stumpage, royalty and (or) compensation payable to the Crown in respect of trees, including merchantable or young growth, cut, removed, damaged, or destroyed by the permittee, shall be the sum or sums fixed by the Forest Service of the Province of British Columbia.
- (d) This permit is appurtenant to the land, mine or undertaking to which the aforesaid water licence is appurtenant.
- (e) This permit shall become void if the water licence with respect to which the permit is issued should terminate, be abandoned or cancelled, or amended so as to render this permit unnecessary.
- (f) This permit is issued and accepted on the understanding that the permittee shall indemnify and save harmless the Government of the Province of British Columbia for all loss, damage to works, cost or expense suffered by the permittee by reason of the Crown Land or any portion thereof being submerged or damaged by erosion or otherwise affected by flooding.
- (g) The holder of this permit shall not be entitled to compensation if the Crown grants permits to other persons to occupy the land affected by this permit.
- (h) In the event of a dispute at any time with respect to the area or boundaries of the land affected by this permit, the holder shall, at his own expense, have the said land surveyed by a duly qualified surveyor.
- (i) The annual rental for this permit is \$5.00, which is subject to review and revision at any time at the discretion of the Crown.
- (j) This permit replaces Permit No. 6136, in part.

J. E. Farrell
Deputy Comptroller of Water Rights
duly authorized designate of the
Minister of Environment

DMR

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is crucial for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the specific procedures and protocols that must be followed when recording transactions. It details the steps from initial entry to final review and approval.

3. The third part of the document addresses the role of the accounting department in maintaining these records. It highlights the need for regular audits and reconciliations to ensure the accuracy of the data.

4. The fourth part of the document discusses the importance of training staff on the correct recording procedures. It notes that consistent training is essential for maintaining high standards of record-keeping.

5. The fifth part of the document concludes by reiterating the overall goal of the document: to ensure that all financial and operational data is recorded accurately and consistently, thereby supporting the organization's strategic objectives.

6. The sixth part of the document provides a summary of the key points discussed and offers recommendations for ongoing improvement in the record-keeping process.

7. The seventh part of the document includes a section on the responsibilities of various departments in ensuring the integrity of the records.

8. The eighth part of the document discusses the use of technology in record-keeping and how it can be leveraged to improve efficiency and accuracy.

9. The ninth part of the document provides a detailed overview of the reporting requirements and how they relate to the record-keeping process.

10. The tenth part of the document concludes with a final statement on the commitment to excellence in record-keeping and the role of every employee in achieving this goal.

11. The eleventh part of the document includes a section on the consequences of non-compliance with the record-keeping policies.

12. The twelfth part of the document provides a list of resources and support available to staff for any questions or concerns regarding the record-keeping process.

13. The thirteenth part of the document includes a final review and approval section, where the document is signed off by the relevant authorities.
