Dear Sir:

Re: Conditional Water Licence 21914 - Minton Lake
Permits under the Water Act
authorizing the occupation of Crown Land

Crown Land Permits numbers 3897 and 3898 were issued in connection with Conditional Water Licence 21914 to authorize the occupation of Crown land for a storage damsite at the mouth of Minton Lake and flooding.

For administrative record keeping purposes, the rights authorized by the above noted Permit numbers have been combined and renumbered as a single Permit authorizing the occupation of Crown Land.

Permit numbers 3897 and 3898 have now been combined and renumbered as Permit number 20851.

If you have any questions, please feel free to contact this office.

Yours truly,

Chris Morgan
A/Head
