The holder of Conditional Water Licence 53521 whose licence authorizes the diversion and use of water from Tollington Brook, is hereby authorized to occupy Crown Land by constructing, maintaining and operating thereon the works authorized under the said licence.

- (a) The Crown land which is authorized to be occupied under this permit is a portion of District Lot 8058, Kootenay District, the location of which is shown approximately on the plan attached to the said water licence.
- (b) The approximate area of the Crown land authorized to be occupied under this permit is 0.09 acre, being 275 feet in length and 15 feet in width for a pipeline.
- (c) Prior to the cutting, destruction or flooding of any timber necessary for the construction, operation and maintenance of the said works, the permittee shall apply for and obtain a licence to cut timber from the District Manager of the Ministry of Forests. The amount of stumpage, royalty and (or) compensation payable to the Crown in respect to trees, including merchantable or young growth, cut, removed, damaged, or destroyed by the permittee, shall be the sum or sums fixed by the Forest Service of the Province of British Columbia.
- (d) This permit is appurtenant to the land, mine or undertaking to which the aforesaid water licences are appurtenant.
- (e) This permit shall become void if the water licences with respect to which the permit is issued should terminate, be abandoned or cancelled, or amended so as to render this permit unnecessary.
- (f) This permit is issued and accepted on the understanding that the permittee shall indemnify and save harmless the Government of the Province of British Columbia for all loss, damage to works, cost or expense suffered by the permittee by reason of the Crown Land or any portion thereof being submerged or damaged by erosion or otherwise affected by flooding.
- (g) The holder of this permit shall not be entitled to compensation if the Crown grants permits to other persons to occupy the land affected by this permit.
- (h) In the event of a dispute at any time with respect to the area or boundaries of the land affected by this permit, the holder shall, at his own expense, have the said land surveyed by a duly qualified surveyor.
