THE PROVINCE OF BRITISH COLUMBIA

AMENDMENT OF PERMIT UNDER THE WATER ACT  
AUTHORIZING THE OCCUPATION OF CROWN LAND

File No. 2001985

In the matter of Permit No. 23066, issued under the *Water Act*, authorizing the occupation of Crown land by flooding resulting from the storage of water in the Daisy Lake Reservoir, as authorized under Conditional Water Licence 114268.

Having determined that the flooding limit of Crown lands affected by the reservoir level erroneously makes reference to Geodetic Survey of Canada (GSC) elevation instead of local elevation, I hereby amend clause (a) of Permit No. 23066 to read as follows:

- (a) The Crown Land which is authorized to be occupied under this permit are portions of District Lots 1012, 3624, 4357, 4358, 5367, 5368, unsurveyed land between District Lots 1012 and 3112, unsurveyed land between District Lots 2668 and 4099, and unsurveyed land between District Lots 4099 and 3624, Group 1, New Westminster District, lying below elevation 377.95 metres (measured using local datum\*), as shown approximately on the plan attached to the said water licence.

\* (local elevation + 0.307 metre = Geodetic Survey of Canada (GSC) elevation)

Dated at Victoria, British Columbia, this 29th day of October, 1999.
