PERMIT AUTHORIZING THE OCCUPATION OF CROWN LAND SECTION 26

The holder of water licence C101260, whose licence authorizes the storage of water from Anyox Creek, and the reservoir being Anyox Lake, is hereby authorized to occupy Crown land by flooding under the said licence and any licence which may be issued in substitution thereof.

- (a) The Crown land which is authorized to be occupied under this permit is a portion of unsurveyed land and foreshore flooded on Anyox Lake, the location of which is shown approximately on the plan attached to the said water licence.
- (b) The area of the Crown land authorized to be occupied under this permit is the flooded reservoir having an area of 189 hectares (467 acres).
- (c) The permittee may cut and remove from the said Crown land any timber necessary to permit construction and maintenance of the said works. Prior to the cutting, destruction or flooding of any timber, the permittee shall apply for and obtain a licence to cut timber from the District Forest Manager and the amount of stumpage, royalty and (or) compensation payable to the Crown in respect of trees, including merchantable or young growth, cut, removed, damaged, or destroyed by the permittee, shall be the sum or sums fixed by the Forest Service of the Province of British Columbia.
- (d) This permit is appurtenant to the land, mine or undertaking to which the aforesaid water licence is appurtenant.

- (f) This permit is issued and accepted on the understanding that the permittee shall indemnify and save harmless the Government of the Province of British Columbia for all loss, damage to works, cost or expense suffered by the permittee by reason of the Crown land or any portion thereof being submerged or damaged by erosion or otherwise affected by flooding.
- (g) The permittee shall not be entitled to compensation if the Crown grants permits to other persons to occupy the land affected by this permit.
- (h) In the event of a dispute at any time with respect to the area or boundaries of the land affected by this permit, the permittee shall, at his own expense, have the said land surveyed by a duly qualified surveyor.
