

PERMIT AUTHORIZING THE OCCUPATION OF CROWN LAND

The holder of Conditional Water Licence 123212 whose licence authorizes the diversion and use of water from Young Spring, is hereby authorized to occupy Crown land by constructing, maintaining and operating thereon the works authorized under the said licence.

- (a) The Crown land which is authorized to be occupied under this permit is that portion of **unalienated and unencumbered land situated within Yale Division of Yale (Lands File 2405722) in the vicinity of Lot 1, District Lots 535, 1602 and 1607, Yale Division Yale District, Plan KAP82482**, the location of which is shown approximately on the plan attached to the said water licence.
- (b) Lands File 2405722 refers to the appurtenant area being within a S.17 *Land Act* Reserve held by the Ministry of Environment for the protection of a drinking water supply. Note that all activities must not cause contamination of drinking water or tampering with a water system pursuant to S.23 of the *Drinking Water Protection Act*.
- (c) The approximate dimensions of the Crown land authorized to be occupied under this permit are **600 feet (182.88 metres) in length by 15 feet (4.6 metres) in width for an area of 0.207 acre (0.084 hectare)**.
- (d) Prior to the cutting or destruction of any timber, necessary to permit construction and maintenance of the said works, the permittee shall apply for and obtain a licence to cut timber from the FrontCounterBC. The amount of stumpage, royalty and/or compensation payable to the Crown in respect of trees, including merchantable or young growth, cut, removed, damaged, or destroyed by the permittee, shall be the sum or sums fixed by the Forest Service of the Province of British Columbia.
- (e) This permit is appurtenant to the land to which the aforesaid water licence is appurtenant.
- (f) This permit shall become void if the water licence with respect to which the permit is issued should terminate, be abandoned or cancelled, or amended so as to render this permit unnecessary.
- (g) This permit is issued and accepted on the understanding that the permittee shall indemnify and save harmless the Government of the Province of British Columbia for all loss, damage to works, cost or expense suffered by the permittee by reason of the Crown land or any portion thereof being submerged or damaged by erosion.
- (h) The holder of this permit shall not be entitled to compensation if the Crown grants permits to other persons to occupy the land affected by this permit.
- (i) In the event of a dispute at any time with respect to the area or boundaries of the land affected by this permit, the holder shall, at his own expense, have the said land surveyed by a duly authorized surveyor.
- (j) This permit cancels and replaces Permit No: 23425.
