### PERMIT AUTHORIZING THE OCCUPATION OF CROWN LAND

The holder of Conditional Water Licence C128199 whose licence authorizes the Diversion, Use and Storage of water from McLymont Creek is hereby authorized to occupy Crown land by constructing, maintaining and operating thereon the works authorized under the said licence.

- (a) The Crown land which is authorized to be occupied under this permit is all that unsurveyed Crown Land, together with unsurveyed Foreshore being part of the Bed of McLymont Creek, Cassiar District, containing 2.2 Hectares, more or less, the location of which is shown approximately on the plan attached to the said water licence.
- (b) The approximate dimensions of the Crown Land authorized to be occupied under this permit, are for:  
Flooding (an area of 2.2 hectares).
- (c) This permit is appurtenant to the land, mine, or undertaking to which the aforesaid water licence is appurtenant.
- (d) This permit shall become void if the water licence with respect to which the permit is issued should terminate, be abandoned or cancelled, or amended so as to render this permit unnecessary.
- (e) This permit is issued and accepted on the understanding that the permittee shall indemnify and save harmless the Government of the Province of British Columbia for all loss, damage to works, cost or expense suffered by the permittee by reason of the Crown land or any portion thereof being submerged or damaged by erosion or otherwise affected by flooding.
- (f) The holder of this permit shall not be entitled to compensation if the Crown grants permits to other persons to occupy the land affected by this permit.
- (g) In the event of a dispute at any time with respect to the area or boundaries of the land affected by this permit, the holder shall, at his own expense, have the said land surveyed by a duly authorized surveyor.
