Water Act

Section 61(1)
Amendment of the Certificate of Incorporation
of the
Farrer Cove Water Users' Community

File No: 77740-20

The Farrer Cove Water Users' Community (the "Community") is incorporated under the Certification of Incorporation issued by the Deputy Comptroller of Water Rights on July 11, 2012.

A new water license (listed below) has been issued, which authorizes joint use of the works on Capon Creek; works that are owned, operated and maintained by the Community.

The rights granted under the new license are only exercisable on condition the licensee becomes a member of the Community.

The licensee has met their obligations with respect to any membership fees required to join the Community and has been included within the Community's membership.

Therefore, I amend the Certificate of Incorporation of the Community, to include the following license within the membership:
