**Sections 52 and 54**  
**Certificate of Incorporation**  
**of the**  
**Florence Lake Water Users' Community**

**File No. 1001215**

Having received a petition to establish a water users' community from the holders of water licenses who share a common interest in the storage of water from Priest Creek (the reservoir being Florence Lake), and water licenses which authorize the diversion and use of water from Florence Lake for domestic and irrigation purposes, I hereby incorporate those licensees into a water users' community as follows:

- 1) The name of the Water Users' Community shall be Florence Lake.
- 2) The Water User's Community is incorporated for the purposes of construction, maintenance and operation of the Florence Lake Dam on Priest Creek, and in respect to the following storage licenses, is given all the powers set out in Section 53 of the Water Act:
